## NEW PRODUCT

### Introducing our sharpest production tool yet... **The Atomos Ninja Utility Pro XL5!**

Whether you're framing a shot or filleting a salmon, this groundbreaking monitor-recorder does more than just capture stunning footage. Its handy set of multi-tools is ready to uncork, unhinge, and untangle whatever challenges come your way.

Need a screwdriver for that tricky tripod adjustment? Done. A bottle opener for a post-shoot pick-me-up? Consider it sorted. We've seamlessly fused cutting-edge video technology with actual cutting-edge tools.

**The Atomos Ninja Utility Pro XL5 will be available in very limited quantities\* for 12 hours only, on April 1st.**
